Classroom & Art Supply List**

When possible, please purchase the brands suggested, they last longer and work better! Also, most teachers have recommended the #2 Yellow Pencils because the decorated pencils have a tough coating that tear up the pencil sharpeners. Pencils, erasers, Kleenex, hand sanitizer, and wet wipes are all items that may need to be replenished during the school year. Please save the UPC codes from Prang, Dixon, and Ticonderoga supplies, these UPC codes help our school earn free art materials. As always, thanks for your support.
