The screenshot shows the East Carter Instructor Suite interface. At the top, there is a navigation bar with "My Courses", "My Lumen Website", and "Reports". Below this, the user's name "Christine Crites" and school building "High School" are displayed. A date selector shows "12-19-2007" and "Today". A row of marking period buttons (Q1, Q2, Q3, Q4) is visible, with an arrow pointing to them. Below the navigation is a table titled "My Courses" with columns for "#", "BMP", "Period", "Course", "Assign.#", "Last Plan Date", and "Students". The table contains 7 rows of course data. At the bottom, the school year is "2007 - 2008" and the current date is "January 03, 2008".

Semester grades are calculated from first and second quarter totals. You may have problems with your semester grades if you have not fixed an incomplete (I), used NG or P, or manually entered grades without a percentage. Please contact Chris Crites or your administrator for questions.
