

Student Summary View

At the EZ Start Button – go to School Reports

At School Reports you are given access to Student Summary View

In Student Summary View you can select the student from the list or search for the student by last name. You will only see the students from the building in which you are located (logged into).

Once you have located the student's name, click on it to see a student summary.

On the left you will see various items about the student. To move a section to the right so that you can view expanded information, click on the "more info" at the top of each item heading. (see below)
